

2065 Sqft | 3 Bedroom | 3 Bathrooms

This spacious, single story home boasts a welcoming covered front porch for morning coffee and neighborly chats, and an office/guest room right off the entry. The large vaulted great room is open to the expansive kitchen with custom solid surface finishes and an oversized pantry. You will never want to leave the master suite with its full tile shower and access to the rear covered patio. The master closet is 110 square feet of space for all the different season's clothes. Even the entryway has a hand-built bench to kick off your shoes and relax. Visit Prairie Crossing and you will find yourself at home in the Bernard.
